## Invest in the future

Corail is easy to establish and will contribute to the persistency of the grass cover due to excellent longevity and rhizome development.

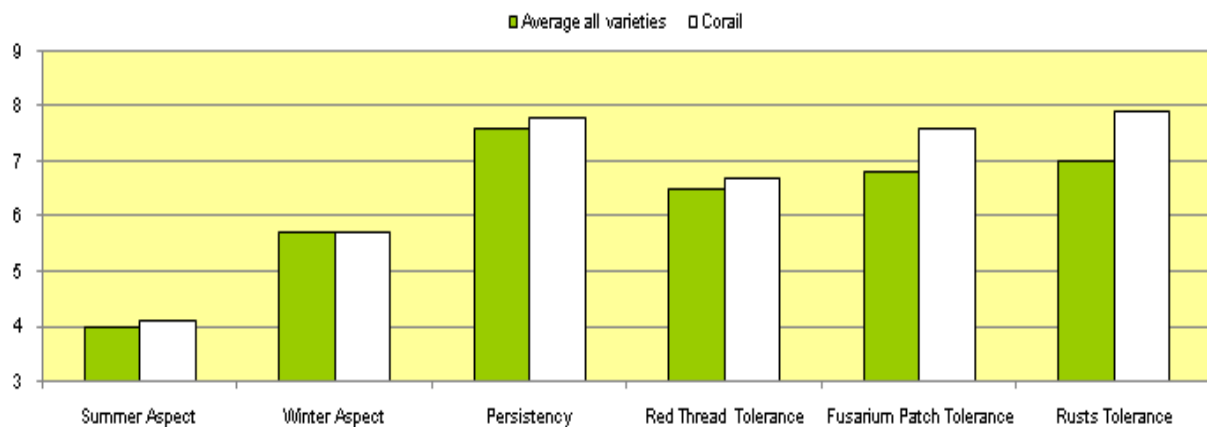

## Colour

The colour of Corail is a little more light green than average, with a healthy attractive appearance.

## Overall excellent disease tolerance

The good resistance to red thread, fusarium patch and rusts secures visual merit year round.

## Strengths of Corail. Scale 1-9, 9 = better/darker
